Order / Resolution CP / Rout. Ms. No. 7702-B dated 4/36 19____.

Very-

The Commr submits the following proposals for the redistribution and formation of new range in the Harpanahalli taluk & the Hosket circle. The two existing ranges in the Harpanahalli taluk viz the Harpanahalli & the Vitchegidurg are very extensive & unwieldy with an area of 340 & 389 Sq. miles respectively. The ranges being extensive and the Communications poor efficient patrol of villages is impossible

The S.Is of the two ranges at present have not been able to devote much attention to detection as most of their is occupied in routine work such as shop inspections, surprise visits etc. I.D. crimes exist in both the ranges & has been on the increase. In the interests of administration and Govt Revenue it is highly desirable to divide the taluks into 3 ranges Viz. Harpanahalli, Ilchangidurg & Anesakere. During the last 3 years I.D. crime has been reported in the following 18 villages Lambadies (Tandas) & the taluks are notorious illicit distillers & near the taluk boundaries the ranges are contiguous whereform Ganja is smuggled. Statements showing the area, no. of villages, no. of shops, Revenue & detection in the existing & proposed ranges are enclosed.

As regards the staff required for the new ranges proposed the Commissioner submits that the Service

& the S.D.& 2 beats sanctioned for the Nagpur Rly. chowkie may be utilised as present there is a S.D. & 5 Beats in each, & the Kanpanahalli & Tegalti ranges (Attchenjiamp) As proposed the 3 ranges will have each one S.D & 4 beats & the additional beat & one S.D & 2 beats required for the new range being drafted from the Rly. chowkie estt.

The imports & taddy from the Nizams territory have stopped in Dec'35 & there is no prospect & revenue in the near future, hence the S.D & 2 beats sanctioned for the Rly. chowkie have no work & may be utilised in the proposed Basadani range.

The proposal involves an additional expenditure & Rs ~~240/-~~ 264 per annum at Rs 22 p m being the T.T.A & the S.D. ~~of~~ the new range The Conservator requests that the Govt

may be pleased to approve the formation of the new Zemindari Court and sanction the incurring of the additional expenditure of Rs ~~2,64,1~~ 2641- for F.T.A. to the S.D. The additional expenditure can be met from the Samasthanam grant under 6 Ch Excise Dt. Allowances & Honoraria Executive ~~Estt~~ FT-A. ~~Fees~~ 1- (1936-37)

Should this meet with the Hon'ble Minister's approval, the H.E. & the Market Circle Officer may be empowered to check consignments and levy duty as a temporary measure for a period of 3 years, & pass a special pass for the collection of a cycle allowance of Rs. 4/- p.m. each. Will also have to be given assistance of 2 peons. The entire Staff Submit separate proposals for these as and when a report of Taddy from H.E. & Minister's Dominions arrives.

Ranges- Hospet circle- Harpanahalli taluk - reconstitution - formation of a new range.

R.C. No 393/36 dt 30-5-36 from the D.C.F.D submitted for perusal.

In C.P.R No 1534 Abkg/36 dt 8.35 the following proposals of the D.C.F.D were approved: (1) to form a third range in the Harpanahalli taluk of the Hospet D. (2) to utilise the estt of one S.O. & 2 peons sanctioned for the Hospet Rly. Chowkie for the proposed new range (Brasikere) and (3) to have a strength of 6 peons in each of the 3 ranges proposed for the Harpanahalli taluk.

The D.C.F.D subsequently reported that the import of toddy from H.E. & the Nizams Dominions has remained & that the services of an officer at the Hospet Chowkie is necessary. The D.C. also suggested that the H.C. of the Hospet circle office may be paid an allowance of Rs 10/- & conveyance allowance of Rs 4/- and he may be asked to check consignments & levy duty. The

proposal involved an additional expenditure of Rs 800/- p.a. necessitating Govt sanction. The proposal was therefore deferred to 1937-38.

The DCO now reports that the imports of toddy from H.E.H. the Nizam's territory have stopped and are not likely to be very considerable in future. If they revive the H.C. & the Hospet circle office may be empowered to check consignments & levy duty as a temporary measure He may be given 2 peons to assist him & paid an allowance of Rs 10/- & conveyance allowance of Rs 4/- p.m. The DC requests that the proposals sanctioned in CP 1554 Abk/35 dt 24.8.35 may be given effect to now.

Even if the proposal to empower the H.C. & the Hospet circle office to check consignments & levy duty is treated as a separate scheme & taken up when the imports of toddy revive, the proposal to form an additional range will result in an additional expenditure of Rs. 240/- per year for orders whether the Govt may be addressed to sanction the
